Three of them, one of her, and a remote cabin in the woods. Let the hot, winter nights ensue...

Tiernan de Haas doesn't care about anything anymore. The only child of a film producer and his starlet wife, she's grown up with wealth and privilege but not love or guidance. Shipped off to boarding schools from an early age, it was still impossible to escape the loneliness and carve out a life of her own. The shadow of her parents' fame followed her everywhere.

And when they suddenly pass away, she knows she should be devastated. But has anything really changed? She's always been alone, hasn't she?

Jake Van der Berg, her father's stepbrother and her only living relative, assumes guardianship of Tiernan who is still two months shy of eighteen. Sent to live with him and his two sons, Noah and Kaleb, in the mountains of Colorado, Tiernan soon learns that these men now have a say in what she chooses to care and not care about anymore.

As the three of them take her under their wing, teach her to work and survive in the remote woods far away from the rest of the world, she slowly finds her place among them. And as a part of them.

She also realizes that lines blur and rules become easy to break when no one else is watching.

One of them has her. The other one wants her. But he...

He's going to keep her.

The Sinner: A Dark College Romance

Author: Shantel Tessier

NOW AN AMAZON TOP 5 BESTSELLER

An all-new dark standalone romance from the USA Today & Wall Street Journal bestselling author, Shantel Tessier

LITTLE DEMON

I was raised in a world where money and power are at your fingertips. My father is a LORD, a very respected member of a secret society that knows no bounds. When tragedy struck my family, we discovered we weren't untouchable. Just when I thought life couldn't get any worse, I was shown what hell is really like. Then he came and saved me. The devil disguised as my personal hero. But of course, nothing is for free. Not when a soul is up for grabs.

I VOW. YOU VOW. WE VOW.

Easton Bradley Sinnett—Sin—uses his power for his own sick pleasure. Like a typical Lord, he never thought about the consequences of his actions. I grew up with him, obsessed over him, craved him. He was who I pictured when I imagined doing things my body shouldn't want.

One day, I realized he was not who I thought he was. It didn't change anything, though, because I was already too far gone. If anything, I fell for him harder.

Every now and then, someone enters your life who flips it upside down. Sin wrecked me in the worst way, and I thanked him for it by serving on my knees.

As they say, nothing lasts forever. Men like him never stay with a woman like me. I'm what they use, not keep. So when he threw me away, I shouldn't have been all that surprised.

My body had always craved the darker side of love. The kind that left bruises and scars. I was what most would call unholy. And when the devil whispered in my ear that he loved me, I was more than determined to show him just how devoted I could be.

I thought I had everything I could possibly desire. Until I set my eyes on her. My angel. Too pure for this world, too pure for me. She's all mine. No matter the cost. No matter the lives that stand in my way. She has always been mine. She just doesn't know it yet.

Dominic

My brother has lost it, more so than ever before. I couldn't figure out what had changed at first. One look at her though, and it all made sense. He gave me one job, protect his girl, a girl he's never even spoken to. I held true to my promise and then some. I didn't mean to kiss her, to touch her. One thing is for sure, though. I'm not losing her, even if I have to go through my brother to have her.

Author: Kylie Kent

Kathryn

Everything was perfect until it wasn't. Nobody warns you that it can all be taken away in the blink of an eye.

Now my life revolves around working two part-time jobs to make ends meet while taking care of my daughter alone. Ensuring she doesn't drown in my grief.

When Graycee asks to play hockey, I scrape and save enough to sign her up for the local youth league. The smile on her face as she steps out onto the ice makes every sacrifice worth it.

It's the same smile I used to see on her father whenever he played too. The smile that still haunts me to this day. The one I never thought I'd see again in person.

But somehow those dark eyes and that cocky-as-shit smirk are staring right back at me. Grayson Monroe, the man I've been hiding from in plain sight for the last six years.

Grayson

I didn't want to believe it at first. Kathryn Kilgor, a girl I never thought I'd see again. She's here. In this rundown skating rink, meant to host Vancouver's next generation of hockey players.

I searched for this woman for years and couldn't find her. Now that I have, I realize she's not alone. She has a daughter. A little girl, with the same set of dark eyes that look back at me every time I stare into a mirror.

Still, I don't want to believe that Kathryn would do this. She wouldn't hide a child from me, my child from me. I gave this woman everything. My heart, my soul, my fucking dignity. And she stepped on it like it was worth nothing.

The panic on her face shouldn't excite me. But I've been hurting for six years now, all because of her. I'm thinking it's time my runaway ex felt some of that pain too.

This is a stand alone novel in the Vancouver Knights world. Each book in this series can be read independently, However, for a more enhanced reading experience read them in order.

Salvation (Wild Heat)

Author: E. J. Lawson

When I presented as an Omega and ran away from home I had only one goal in mind: to disappear.

I was doing a damn good job of it, too...until I caught their scents.

Denver, the alpha-hole mercenary with a heart of stone.

Memphis, the cinnamon roll hunter-tracker with fire in his soul.

And Camden, the golden retriever survivalist with kind blue eyes.

I should've stayed away, but I could barely think through the heat threatening to burn me up from the inside out.

By the time I discovered they were a team put together by my sadistic stepfamily to drag me home, it was already too late.

Too late to run. Too late to hide. And definitely too late to stop my wild heat from affecting us all in ways more permanent than I ever could've imagined.

SALVATION is a standalone Omegaverse romance told in multiple points of view. It features knotting, scent matching/markings, nesting, pack bonds, and wild heats that require **lots** of emergency alpha assistance. There is no choosing and a HEA is guaranteed!

THAT SIK LUV

Author: Jescie Hall

From author Jescie Hall, comes this dark and demanding stalker romance that pushes all the boundaries of exploring sexuality while simultaneously exposing the harsh realities of organized religion.

This book explores many dark topics. Please beware of the trigger warnings before reading. Your mental health matters.

Fornication is a sin.

As it reads, we should flee from sexual immorality. Every other sin a person commits is outside the body, but the sexually immoral person sins against his own body.

They teach us that these thoughts, these actions, are immoral. But that dark side that lives inside all of us, the true nature of man, drives us to seek the need that burns within, demanding to be set free. Deep inside of our bones lies that intrinsic need, one desperate to escape. An innate behavior, seemingly out of our control.

One that screams for sins they tell us are condemning.

Aero is the throat from which I scream.

The dark parts of myself I want hidden from this world are all he sees when he gazes at me beneath yet another mask.

He's the demon drowning me in my own underlying desires.

He may never stop. Not until I succumb to my truths, or die beneath the weight of his unrelenting grasp.

Because according to him, the life I've been living is a hell far worse than death.

Sugar Daddies

Author: Jade West

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about...

Two hot guys seeking their Little Miss Right.
Someone who can entertain them, amuse them, fit in with their corporate schedule.
And sex. They want sex.
Lots of sex.
Bonus, right? One major dose of epic win.

Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all.
Hell, I can live with that.

And there are no skeletons in their designer closet, none that I can find.
Just two hot sugar daddies, with particular tastes, nothing to worry about.

Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance.

Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you.
But I'm already in way too deep for that.

Warning – as with every other Jade West book, reader discretion is highly advised. This novel contains vivid depictions of MMF / MM relationships, and Jade's characters, as always, have very filthy mouths. Mature readers only, please.

A Touch of Darkness (Hades x Persephone Saga Book 1)

Author: Scarlett St. Clair

"Let me worship you," he said.

She answered, "Yes."

Persephone is the Goddess of Spring in title only. Since she was a little girl, flowers have only shriveled at her touch. After moving to New Athens, she hoped to lead an unassuming life disguised as a mortal journalist. All of that changes when she sits down in a forbidden nightclub to play a hand of cards with a hypnotic and mysterious stranger.

Hades, God of the Dead, has built a gambling empire in the mortal world and his favorite bets are rumored to be impossible. But nothing has ever intrigued him as much as the goddess offering him a bargain he can't resist.

After her encounter with Hades, Persephone finds herself in a contract with the God of the Dead, and his terms are impossible: Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows—a love that is both captivating and forbidden.

Twisted Ink: A Why Choose Romance (Beauty In The Ink Book 1)

Author: A.M. McCoy

Being a romance writer means drawing inspiration from many things, and when I met Dallin, I knew I had the perfect muse.

He was everything women read about— tall, tattooed, and irresistibly delicious. Oh, did I mention successful too? He swept me off my feet and right into his bedroom where he awakened things in me, I had only ever wrote about.

He was the bad boy who rode a motorcycle, I was the good girl next door, yet together we were perfect.

Or so I thought.

Nightfall (Devil's Night Book 4)

Author: Penelope Douglas

From New York Times bestselling author Penelope Douglas comes the thrilling, final installment in the Devil's Night series...

What happens when it's five against one and nowhere to run?

EMORY

They call it Blackchurch. A secluded mansion in a remote, undisclosed location where the wealthy and powerful send their misbehaving sons to cool off away from prying eyes.

Will Grayson has always been an animal, though. Reckless, wild, and someone who was never bound by a single rule other than to do exactly what he wanted. There was no way his grandfather was going risk him humiliating the family again.

Not that the last time was entirely his fault. He might've enjoyed backing me into corners in high school when no one was looking, so they wouldn't catch on that Mr. Popular actually wanted a piece of that quiet, little nerd he loved to torture so much, but...

He could also be warm. And fierce in keeping me safe. The truth is... He has a right to hate me.

It's all my fault. Everything. Devils Night. The videos. The arrests. I'm to blame for all of it. And I regret nothing.

WILL

I never minded being locked up. I learned a long time ago that being treated like an animal gives you permission to act like one. No one has ever looked at me any other way.

Their only mistake is believing anything I do is an accident. I can sit in this house with no Internet, television, liquor, or girls, but I'll come out of here with something far more frightening to my enemies. A plan. And a new pack of wolves.

I just didn't expect one of my enemies to come to me. I don't know who smuggled her in or if they meant to leave her here, but I can smell her hiding in the house. She's here.

And as the security detail leaves the supplies, the gates close, and the door to my gilded cage opens, giving me free reign of the house and grounds for another unsupervised month, I remember with a smile...

Blackchurch houses five prisoners. I'm only one of her problems.

*Nightfall is a full-length, romantic suspense suitable for readers 18+. It's necessary to read the prior installments in the series before starting this story.

Shantel Jenson Waters is a force to be reckoned with after enduring a trauma that threatened to consume her. Kidnapped and held captive, Shantel's world was forever altered, leaving her struggling to find her way back from the brink of madness. Only four individuals possessed the power to guide her to safety: Henry, Link, Faxx, and Oz, the Four Horsemen of U.C.K.

Under their guidance, Shantel transformed into an unstoppable force, armed with the skills and determination to conquer any obstacle in her path. Her fierce loyalty was reserved exclusively for the four, who were her sole source of safety and solace. Yet, everything changed when she encountered Ian Nevin Lawe.

Shantel's world collided with Ian's indefinitely once she found out the connection he had with Oz. Now, she finds herself facing a new set of challenges that threaten to unravel the hard-won stability she had fought so tirelessly to attain when the very same people who held her captive attacked her mother. Caught between her unwavering loyalty to the Horseman and her mission to end every person involved with the Cartel, she still couldn't resist the magnetic pull of Ian's enigmatic presence. Shantel must confront her deepest fears and make choices that will shape her destiny. Will Shantel be able to set aside her fears and fully trust Ian, or will she keep Ian tied up at a distance?

Ian Nevin 'Rogue' Lawe has always been comfortable operating in the shadows. He is adept at eliminating threats to his younger brother, Lennox 'Oz' Anderson, without drawing attention to himself. Stepping out of the shadows and walking into Myth, Ian unexpectedly found himself consumed by the dark brown eyes of Shantel Waters in a way he never anticipated. Now, Ian's fascination with Shantel consumes his thoughts, and he becomes obsessed with every aspect of her life. I thought I had my golden ticket to love until I stumbled upon my boyfriend's betrayal. A romantic Christmas vacation to Alaska, planned for two, is now a solo venture. Little did I know, I was stepping into the lair of a dark, dangerous man I knew nothing about.

Maddox, a tattooed giant of a man, a fugitive turned recluse, has been living in the shadows. But his obsession ignites when he sees a photo of me online after booking his cabin, the golden girl with a silver spoon. He's dangerous and unstable, and yet I'm drawn to him. The rugged man in front of me is nothing like the polished lawyers and businessmen I'm used to. Maddox is raw and real.

In the isolated cabin, the icy Alaskan wilderness becomes our playground. Maddox, the man obsessed with masks, pulls me into his twisted game of obsession and desire. But as the temperature drops, our dangerous dance only heats up, pushing boundaries.

I thought the snow stranded me, but I'm exactly where Maddox wants me. In his world, under his rules. I'd come for solitude, but I'm in for a wild ride. No one can hear you scream when you're miles from civilization. After all, there are no rules in the heart of the wilderness. The only law is survival. But can I survive Maddox?

Stranded is a dark romance novella with heavy subjects that some readers may find triggering. A full list of the warnings will be found in the book. This story has no cliffhanger and ends with a HEA.

So I stay polished. Tasteful. Beyond reproach.

Until Anton Wolff joins Alchemy. He's the UK's most charismatic billionaire, and he's looking for a club that's as discreet as it is debauched. As classy as it is carnal.

The Virgin and the Beast (Stud Ranch Standalone Book 1)

Author: Stasia Black

They say good things come to those who wait.
Bullsh*%!
My whole life has been about waiting. Playing it safe. Be the good girl, don't color outside the lines.
Put in the hard work trying to prove myself to Dad, then to my college professors, then to my boss at New World Media. Just waiting for the day when it will all pay off.
And right when it was all starting to—I finally had the house, the job, I was even thinking about getting a cat—boom!—my life explodes and suddenly now I'm here and—
“All done,” the doctor interrupts my thoughts, pulling off her gloves with a loud snap.
Even from the bed where I'm lying, my legs spread like the Thanksgiving turkey, I can hear the impatient growl of the man standing in the doorway.
If you can even call him a man. More like a beast out of a friggin' fairytale.
“Well?” Her pronouncement echoes throughout the room while the speculum is still inside me.
“She's a virgin.”

Intended for mature audience. Steamy romance with dark themes.

INTERVIEW WITH THE AUTHOR:
Q – Where did you get the idea for this book?
A – Who doesn't love a Beauty and the Beast story? I've been in love with this fairytale since I was a kid and read all sorts of different variations on it. Now that I'm grown up, well, I couldn't help but imagining some darker twists and turns the story could take. A tortured hero, kidnap, and a girl falling for her captor—hello, this is the stuff dark romance is made of!

Q – Why should I read this book?
A – I write the kind of books I love to read, which is dark romantic erotica. I want stories that steam things up in the bedroom but not if those scenes don't go hand in hand with three-dimensional characters, can't-stop-flipping-the-pages suspense, and quality writing. I like alpha males, (doesn't hurt if they happen to be billionaires)!, bad boys, BDSM, contemporary, urban settings, and fiction where women can be strong while also exploring all sides of their sexuality. My favorite books are ones that dare to go into the darkest and most taboo places in the human psychological experience, leaving you wrung out on the other end.

I'm more interested in Celeste. She's a nun whose innocent allure sparks a powerful, erotic desire that dominates my every thought. Her presence is both my salvation and my torment, pulling me deeper into a passionate whirlwind I can't escape.

Meanwhile, the Creole Kings, bitten by Nitro to amplify their powers, are now cursed with insatiable desires. Irony has spoken. Their power trip has ended with a 24/7 sex obsession—the very nightmare they hoped to dodge.

What is coming for us? For me? Faction wars will soon ignite the nation and cities will burn. Alliances will be formed and tested. And as I grow into memories of a past I barely remember, we make the call to move to the swamps, the last refuge against the encroaching darkness. It's a desperate gamble, but in a world descending into madness, our fierce drive to protect those who transform us stands between those we love and total annihilation.

Rent: Paid in Full (Bad Decisions Book 1)

Author: Jesse H Reign

"You have something I want. Something I'll happily buy...or rent."

As if my life doesn't suck enough already, my insufferable new roommate, Miller MacAvoy, seems determined to make things weird. He watches me all the time, grinning at me like a beautiful idiot, eyes boring holes into me every time I turn my back on him.

It's the last thing I need. Things haven't been going well. College isn't working out at all like I'd hoped. I'm drowning in debt, waiting tables every shift I can get, and falling behind on my studies.

Something's got to give.

I can't go on like this much longer.

Miller, being the out-of-touch rich boy he is, keeps offering to throw cash my way. Obviously, I'd rather die than accept charity from him.

Still, he watches and waits. Insisting again and again that I have something he wants to buy. It's insane. I have nothing of value to sell. Absolutely nothing. My phone screen is cracked and my truck could easily be mistaken for scrap.

Wait.

No!

Surely not.

He can't possibly be thinking that.

Can he?

Heartless Heathens: A Why Choose Gothic Romance

Author: *Santana Knox*

Heartless heathens is a best-selling, dark, gothic romance that pushes the boundaries between sane and sin. A story that is anti-religion and touches uncomfortable topics not suited for readers under 18. Please check the content warning before starting. This is a corruption story, there are no heroes here.

Hey,

Over here.

No, look up.

Yeah, I'm the one they talk about. The headmaster's prized possession, locked away in the bell tower of Notredame Parochial College. To most of the students I was just a myth.

An urban legend.

The girl who rings the bells up in the tower, the one who talks to gargoyles.

Frollo's secret

Then they showed up, those heathens. Outcasts, just like me. But these men aren't just dangerous, they're heartless. They won't abide or bend to the rules of this deranged school and the secrets it keeps from the world.

Now that they've found me, they may never let me go. And maybe I wouldn't want them to...

Like, never. I'll have to move if this racy kitty gets out of the bag.
